

In Memory of:  
**Ch. Kanosak's Goldendeavor Of Nome CDX**

October 8, 1990 - October 15, 2005

***Dear Maggie...Do you remember when:***

*You came to us looking like a teddy come out of the dryer on xtra fluff?  
Our grand friend, Dave (wherever he may be now) taught us the "rules of the rings?"  
You went Best in Match our first time in the ring?  
Our first points in St. Louis...and the public toast to you, our "Winners Bitch!"  
Our 40-mile backpack when you swam in so many cold mountain lakes you got pneumonia?  
You ate five pounds of dog food all at once!  
We went BOB over your awesome Dad, and the picture we took?!  
We earned that Group 2 (standing there right in between Ken & Virginia)?  
We earned your first hunt test leg...and those stinky birds! You were a trooper!  
You ate the foxtails; and the CSU vets removed them from your throat...yikes!  
You ran your paw pads raw chasing tennis balls on the new driveway!?!  
We went 1st place earning your first CD leg! And Jane's help all along the way!  
You worked so fine in Open with Gramma Ronnie?  
We nursed your best pal Jack-Jack back from near death?  
Those midnight walks and our late night vigils thru my own recovery?  
Do you remember your rescue by Uncle Jeff & Auntie D?*

*...the daily hikes & swims and the nightly Greenies!*

***Go now, for they have waited on you...George, Lailah & Jack-Jack...***

***GOLDEN ENDEAVORS wishes to express our deepest love & thanks to:***

*Ronnie Bizer (Kanosak) & "Sunny" for entrusting us virgins with such a special girl!  
Mary Burke (Asterling) & "James" for all the encouragement...especially in that first Group!  
Auntie Candy "Yum-Yum" & Jenny Nee for their loyal friendship & foundation...FOREVER!*
